

That's A Wrap !! Not Quite...

Monday, May 29, 2006

Dear Fellow Members,

Fellow squashers, since my last message our club has been very active hosting the NB Closed, Atlantic Juniors, Atlantic Senior squash tournaments, and the Normies League Championship all of which going off with out a hitch, so I must start this message with a **HUGE "THANK YOU"** to all the volunteers who made these events happen not only in a well organized manner but with class!

As we wrap up this season and switch our gears into the spring/summer squash we have **two more events**, which will happen in the this week, which need your support.

- 1) Join us for our **first ever annual meeting**, on **Thursday June 1st**
- 2) **Club Championship**, June 2 & 3, which will conclude with what else but a BBQ & "PARTY" at "YOUR" Club.

The Annual Meeting will start at 7 pm (at the club) and will consist of annual reports of our clubs financial situation, board decisions and appointment of directors for the next year concluding with a mini social and a bar service. If you are interested in how your club operates or have questions why, this is the time and place, so I ask as many members as possible to show, I promise it will not a long meeting.

The **Club Championship** will be our last event until the Moncton Open this fall so I ask for your participation and for you to register no later than Wednesday May 31st as we do need some time to prepare the draw. Depending on numbers (we are hoping for a least 50) we will have as many divisions are possible, so please register early !!

As we move into **summer hours** you will notice a few changes in a new student employee for which we have received a grant and in early August Marcel will be leaving us as he is heading back to school to complete his masters degree. I know you will all join me in thanking Marcel for his accomplishments and wish him all the best in the future. **Thanks Marcel!**

Also on the summer topic we are attempting to make better use of the club this year so we are offering **summer memberships @ \$99.00 each** which will get you full access to the club until Sept 1st and hopefully hook some new players to our sport, so if you know anyone who has shown interest, this would be a great time.

As there will be no summer ladder we have started the pyramid again and first look is very impressive with a lot of interest. Please take a look at your spot on the **pyramid** next time in and make sure your name is there if you wish to participate but also please remove your name or call Marcel if you are not as we have limited spots and lots of players. A couple of other items which will carry on this summer will be the after work **cut throat** on either Thursday, Friday or both! Just check the court booking page on the web for time details, and lastly under the leadership of Jeff Carter & Nicole Belliveau the **juniors program** will be even more active this summer with more court time being available, stay tuned for more details shortly.

Summer may be here but please don't forget we have a climate controlled facility just waiting to be used, further if you have any suggestions as how to better utilize your club in slower periods please drop us a line.

Look forward to seeing you all next week

Cheers,
Jim
